Artwork

We can create your artwork for you – pricing below is for layout to your specific brief with material supplied electronically. You will need to give us a brief and a rough sketch of your layout.

Strategic and creative design is available as a separate service - see our design portfolio at www.10group.com.au or contact us to discuss your objectives.

Can't See What You Need?

This Price List shows a small selection of the variety of printing that we do. For different sizes, papers, quantities or any custom print requirement simply ask us to quote. Our print portfolio includes Art Catalogues, Corporate Brochures, magazines and more...

Our Process

- 1 Order, payment and artwork received (or we create artwork)
- 2 Pdf proof emailed to you for approval (if required)
- 3 Upon approval, job goes to print
- 4 Delivery in approx 5 working days.
Free delivery to Sydney Metropolitan area

Artwork Specifications

We prefer press-ready pdf files however we also accept Quark, InDesign, Illustrator, Photoshop, Pagemaker, Corel Draw.

Files must be supplied in high resolution press-ready format in CMYK (not RGB), 300dpi @ 100% size.

Checklist for supplied artwork

- Trim or crop marks included
- 5mm bleed (if applicable)
- Images are high resolution (300dpi at 100% size)
- Images are CMYK (not RGB) in TIFF, JPG or EPS format only (RGB images will require conversion to CMYK at \$20 per image)
- Screen and printer fonts included (unless a pdf is supplied)
- Fonts embedded (pdf files)
- Fonts converted to outlines (Illustrator files)
- Multiple page jobs (4pp or more): files supplied as spreads at final trim size.
